

GREATEST ON RECORD

HEAD CAMP OF WOODMEN WILL BE A REVELATION TO THE WEST.

Arrangements are being made on a complete and elaborate scale for the entertainment of delegates and visitors.

The local camps of the Modern Woodmen have so far progressed with their work that it can positively be stated now that the national meeting which will be held in this city, beginning on Monday, June 6, and continuing until the 15th, will be the biggest affair of its kind in the history of the order.

The business streets of the city will be illuminated evenings by vari-colored lights and arches, and the business houses will be decorated in a way that has made Kansas City famous annually in her festival week season of the Priests of Pallas and Karnival Krewe pageants.

The following programme will be carried out: Monday afternoon—A carriage ride to the delegates and alternates.

Tuesday morning—Session of head camp, address of welcome, music, etc.

Tuesday evening—Business session of the head camp.

Tuesday evening—Under the control of the local committee which will provide some special entertainment.

Wednesday—Dedicated to the secret work of the national order.

Wednesday evening—Exemplification of the secret work of the order.

Thursday—To be given up entirely to the big picnic and the local committee.

Thursday evening—Drill of the Forester teams and band contests.

The remainder of the week will be devoted to the business incident to the week's session.

The following are the delegates and alternates, with number of camp and address, to alternate in each case following the delegate:
